2018 WISE GUY SAUVIGNON BLANC

Sauvignon Blanc is one of the most dynamic grapes grown in Yakima Valley. When fully ripe it still has the hallmark acidity and fragrance of world class versions. The Outlook Vineyard is the source of this fruit. Planted in 1982, the vines yield perfectly ripe fruit that has fully ripe flavors, plenty of minerality, with tremendous natural acidity.

TASTING NOTES

Pale in the glass with a fresh nose to follow, this Sauvignon Blanc has notes of fresh green grass, lemon curd, and light pear. The Palete is bright and full of citrus peal and floral notes, followed by a touch of honey. A meidum bodied wine that will pair well on a hot day with a light fruit salad and an assortment of cheese.
