WINE COMPANY

2016 RIESLING

RIESLING
WINE from WASHINGTON STATE

"Ravenna" Linocut by Allison Kubbos

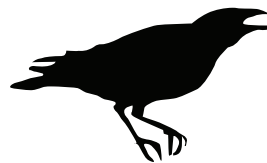

This Corvidae Riesling is a serious wine from old hillside vines located in Washington State.

The wine is fermented entirely in stainless steel. Mineral laden soils contribute to this wine's flinty character and lively flavors.

TASTING NOTES

Bright, refreshing and vibrant, this off-dry Riesling exudes mouthwatering acidity with key lime pie, honeysuckle and apricot notes. The crisp mouthfeel is a perfect accompaniment to fall, pairing beautifully with roasted turnip and butternut squash or a firm white fish with perfectly glazed carrots.

12% Alcohol
1.2% Residual Sugar
