2017 WISE GUY SAUVIGNON BLANC

Sauvignon Blanc is one of the most dynamic grapes grown in Yakima Valley. When fully ripe it still has the hallmark acidity and fragrance of world class versions. The Outlook Vineyard is the source of this fruit. Planted in 1982, the vines yield perfectly ripe fruit that has fully ripe flavors, plenty of minerality, with tremendous natural acidity.

TASTING NOTES

Pale in the glass and crisp on the palate, this citrus and mineral-laden Sauvignon Blanc is bright and full of lemon zest and pear notes. A medium bodied wine that will pair well with oysters on the half shell, sauteed scallops or a mixed green salad with Chèvre and a citrus vinaigrette.
