

## 2016 Sinister Hand

63% Grenache, 16% Syrah, 16% Mourvedre, 5% Cinsaut

A record-breaking hot vintage led to an early harvest in some of the vineyards in which we source our fruit for the Sinister Hand. We were excited about the heat and monitored the vineyards closely for optimal sugar levels and ripeness. With these varying ripening dates, we found layers of complexity within each block. The heat rendered beautiful aromas of black pepper, clove and juniper with juicy hints of dried strawberry, pie cherries and fig. Flavors of chocolate, green peppercorn and boysenberry are delicious on the palate, resulting in a full-bodied, mouthcoating Rhone-styled blend.
