2021 OWEN ROE CHAPEL BLOCK SYRAH
RED WILLOW VINEYARD

WINEMAKER NOTES:

Focused and opulent with a deep violet hue and engaging aromas of wet stone, leather, orange peel and blueberry. The elegant palate is copious with flavors of fig and brambleberry, cigar box and vibrant acidity. Try this wine with wild game for optimal enjoyment!

Red Willow Vineyard is known for bringing Syrah to Washington State, and the vines surrounding the Chapel deliver exceptional quality and purity of fruit. Bright aromas of pomegranate, tobacco and sweet blueberry fill the glass. Mouthwatering acidity and brilliant cocoa spice are present on the mid-palate, with a touch of sweet oak. The finish is silky and concentrated with gripping tannins and the promise of long-term cellaring.
