2022 MIRTH CHARDONNAY YAKIMA VALLEY

WINEMAKER NOTES:

The 2022 Mirth Chardonnay showcases the bright, expressive style that has become a hallmark of this wine. Fermented and aged in stainless steel, it emphasizes purity of fruit and a crisp, refreshing character. Aromas of pear, citrus blossom, and honeydew lead into flavors of green apple, lemon zest, and a hint of tropical fruit on the palate. Lively acidity and a clean finish make this an easy-drinking Chardonnay that's as versatile on the table as it is vibrant in the glass.
