Owen Roe Estate

2023 OWEN ROE SANGIOVESE
RED WILLOW VINEYARD

WINEMAKER NOTES:

The 2023 vintage bursts from the glass with vibrant aromas of ripe cherry, raspberry, and a hint of red licorice, all lifted by bright, zesty acidity. On the palate, you'll find juicy pie-cherry flavors woven with subtle spice—think cocoa-tinged tobacco and a pinch of earth. Medium-bodied and beautifully structured, the wine offers elegant, fine-grained tannins that lead to a clean, lingering finish with delicate herbal and mineral accents—a reflection of Red Willow's cool-climate clay-loam soils and extended ripening period.
