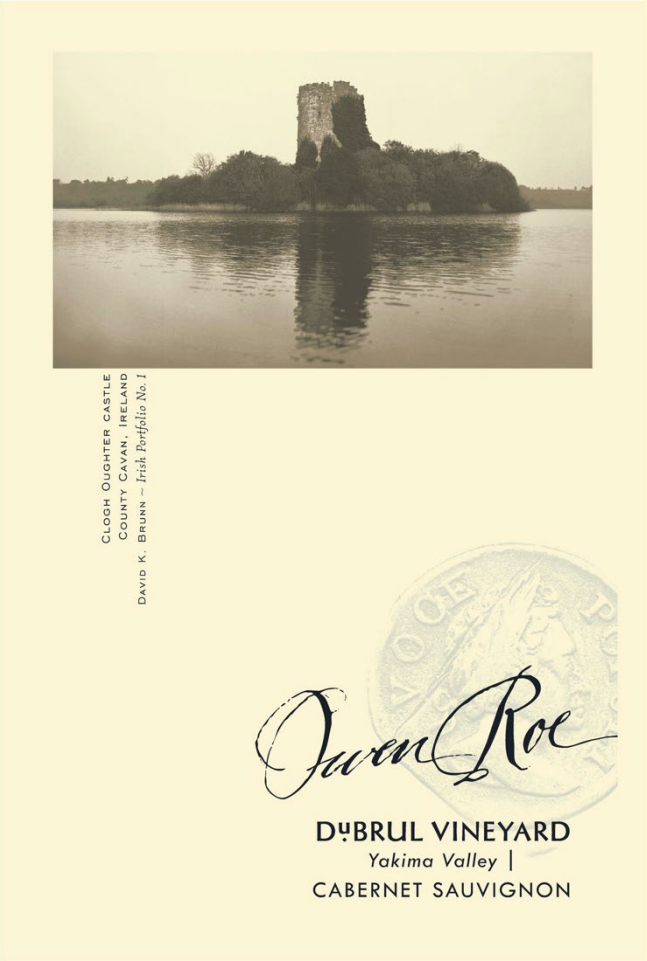
2022 Cabernet Sauvignon DuBrul Vineyard



Winter and Spring in 2022 were cooler and moister in a decade. Snowpack in the mountains and an unusually wet spring resulted in delayed budbreak and enhanced growth in the canopy.

2022 is a throwback year to cooler vintages with harvest delayed until after the first week of October. The cooler temps were followed by an intensely hot but short summer. This Cabernet Sauvignon shows herbal notes and bright acidity ripe but still shows nice aromatics and polish.

A Cabernet Sauvignon with more finesse – lighter ruby hues with nice perfume and delicious blackberry flavors along with pepper notes and dark chocolate notes on the finish.

Technical Information

This 7 barrel blend was cellared in 57% new French Oak barrels for 24 months. Whole berry fermentation and a gentle basket pressing preserves the fruit and improved the mouthfeel of this unctuous wine.
